We welcome 2019 with God's help

Dear **Pastor Diego and Maam Sol,**

ZEBRA Missions welcomes 2019 with souls won and believers disciple. Happy New year to you and your Church. The Lord Blessed us with a house to rent with two rooms and a small receiving area, We took advantage of the Filipino's Overseas workers hospitality by sharing the word of God on the 2nd day of the year. They were hospitable to welcome us and the year for Fellowship. Though we don't have chairs yet they were willing to heed the word of God

during the Bible study sitting on the floor. We are taking seriously every open door for the Gospel to be preach and souls saved are edified.

ZEBRA missions launched with the Filipino Ministries as we are still coping up with the Language slowly we can speak the Swahili catching up with the dialect to be effectively reaching the unreached people.

One young men that I won to the Lord now being a Member of the

church was gracious to give me a pair of Adidas Shoes to help me out with my walking and Jogging activities to eased the Hypertension.

Please pray for Bro. Kenneth that he will greatly be used by God in bring souls to the Lord.

Please help us pray for the success of the ZEBRA Campaign we called it Victory Campaign, it's a 7 weeks campaign to bring visitors to church for the visitors to be exposed with the sound preaching. Our

Objective is that at the end of the Campaign every one would commit themselves to level up their Spirituality and Financial Capacity to support the work and Ministry of our Lord Jesus Christ.

The Lord is gracious to take care of the Family needs. I am praying that God would provide a Motorbike for the visitation and errands for the Ministry and Family would cost \$2000

The House rental been graciously provided Thank God!

Praying as well for the Property we can use to put up the training School and at the same time be the HUB of ZEBRA Missions.

Thank You for holding the rope for us faithfully.

You have been a source of encouragement Your financial support and Prayers is a real Blessing to me ,My wife and the Children.

Because of Souls Around,

Bro. Jon Coronel
